

Bon Lin Middle School
Failure Isn't Tolerated
FIT

The goal of FIT is to provide students an opportunity to demonstrate they have learned the skills and information previously assessed on a classroom test or quiz. This opportunity also allows students to improve upon grades earned on previous tests and quizzes. In addition, FIT is designed to foster a sense of personal responsibility on the part of the student, both in preparing for the initial assessment and for taking additional steps necessary to understand the material and improve their grade.

FIT Guidelines

- All students are eligible to retake a Test or Quiz*.
- Students must complete a Retake Ticket within 3 school days of receiving the graded Test or Quiz. *Teachers will make the Retake Ticket available to all students in the classroom.*
- Students must have ALL assignments completed and turned in before being allowed to retake a Test or Quiz. **No missing assignments.**
- Teachers will inform students of the areas they need to review and assign online work/review material as available.
- Teachers can provide an alternate Test and Quiz that covers all or part the same material. *Teachers can change the format of the test to include short answer or essay, or have students complete a project or presentation on the material to show their understanding.*
- Students who take a completely NEW Test or Quiz will earn the grade on the alternative assignment, which will REPLACE the previous grade.
- **Teacher will have the option of having students correct questions missed on a Test or Quiz. Example: students can correct missed questions by writing a short answer explaining why their original answer was incorrect and why their updated answer is correct. Students can earn back up to half of the points missed.**
- Students can complete FIT for a specific Test or Quiz 1 time.

*Tests and Quizzes are assessments designated by the teacher that are completed in class for a grade. Other graded assignments such as projects, research papers, and presentations that are turned in for a grade are subject to class procedures involving deadlines, and are not covered under FIT.
