Vivian

Please see the question below from one of our landscape subs.  
1 year warranty on 5 gallon shrubs are not industry standard, this will be more expensive.  
No, mention of warranty period on the 15 gallon shrubs.

Please clarify.

Thank you,

Hi Sam

In the spec they have mentioned 1 year of guarantee is needed for 5 Gal shrubs , that is not industry standard  
And they have not mentioned anything about 15 Gal

Please advice
