OR you may go directly to the mandated reporter page (<https://mandreptla.org/>)

---

Welcome to the Suspected Child Abuse Reporting System for [Mandated Reporters](#). This site has been specifically created to enable Mandated Reporters to complete their written report on-line. If you have already made your verbal report to the Los Angeles County Child Protection Hotline and obtained a referral number, you can proceed to: “Create Suspected Child Abuse Report”.

In order to create the Suspected Child Abuse Report (SCAR) using this Web site, please allow at least 30 minutes for the referral number that was issued to you by Child Protection Hotline to become activated.

**Your login is valid for two hours. Please complete the SCAR report within the specified login period to avoid the loss of data.**

Please take a few moments to read the educational information.

---

You can also **download forms and instructions for completing them**. They are a little different from the old NCR forms we have been using for the past many years.
