

## Opportunities for Students in the North and Northwest Denver Metro Area to Earn Free College Credit at CEC

Opportunities for high school students to earn college credit by attending CEC Fort Collins High School extends beyond the Fort Collins/Loveland area. Through our partnership with Front Range Community College (FRCC), Aims Community College (AMCC) and Red Rocks Community College (RRCC), we can offer students in the north and northwest Denver Metro area the opportunity to earn both their high school diploma, and associate degree and/or certification at the same time.

The CECFC Distance Students program extends to families living in:

Allenspark, Arvada, Boulder, Brighton, Broomfield, Dacono, Erie, Estes Park, Federal Heights, Firestone, Fort Lupton, Frederick, Golden, Gunbarrel, Henderson, Lafayette, Longmont, Louisville, Lyons, Mead, Nederland, Niwot, Northglenn, Platteville, Superior, Thornton, Westminster, as well as specific zips in Wheat Ridge and Denver north of Colfax Ave.

We have a dedicated Advising staff, located in Westminster, that works hand in hand with students and parents to ensure that students meet admissions requirements for being academically ready to take college classes.

Distance students have the opportunity to participate in all Fort Collins campus activities and events such as Prom, Graduation (full-time students only), and can apply for internships through our partnership with CareerWise Colorado. And if needed, distance students can attend classes on the Fort Collins campus.

To learn more about our Distance Students program [RSVP](#) to come to one of our upcoming Informational Meetings: May 17, June 7 or June 21.

CECFC High School Academic Department

### Meet the CECFC Staff: Middle School and High School Academic Department

The Academic Department at Colorado Early Colleges Fort Collins (CECFC) supports the educational success of our students and development of our instructors at both the middle school and high school. This team tracks students' academic success and works with families to find the best possible solution to keep students engaged in their classes.

The Academic Department supports instructors at both schools by ensuring the quality and uniformity of our curriculum, and conducting course and instructor evaluations to find areas of strength as well as areas for improvement. This department is also responsible for our English Language Learners (ELL) program, oversees state testing, coordinates course and instructor evaluations, and oversees the multi-tiered support system. High School Academic Department team members are: Brian Doebbling, Ann D'Albergaria, Chris Auten, Lacey Scadden, Chris Ghigliotty, and Matt Beeson. Middle School Academic Department team members are: Tak Taylor, Lucy Hadley and Allison Straubing.
