

Letter of Participation Intent

This letter of intent demonstrates the interest of (your company name here) in working with The Juniper Elementary school. The Juniper School envisions providing students of Durango the first-ever, elementary electives-based specials program and a high quality after-school enrichment program. These type of educational programs promote student and family choice, diversity in exposure to the Arts and Outdoor Education and active learning throughout the school day.

(your company name here) is interested in collaborating with The Juniper School regarding support for electives specials instruction, after school program connections and offering expertise in the areas of the Arts and Outdoor Education. Your area of proposed instruction is: _____ . Your preferred month of delivering instruction (September through May): _____ .

Sincerely,

(Contact Name)
