Principal's Message

Saugus High School is a very special community where parents and teachers share the common mission of preparing ALL students for meaningful post-secondary opportunities. It's an absolute privilege to be a part of a community that has such rich academic and co-curricular traditions.

Saugus High School is comprised of a very caring and committed staff, and our goal is to help each student strive to reach his/her fullest potential. We look forward to working with each student to guide him/her to excel in meeting all academic standards and to develop the academic skills necessary for a successful transition into their post-secondary education.

Saugus High School is the community's school, and we recognize our responsibility to provide a safe and nurturing learning environment for all students. We value and celebrate diversity, as well as the unique talents of each and every student. A strong relationship between the school, the student, and the home will maximize the educational experience for each student.

I look forward to meeting you and your student, so feel free to stop by to say hello the next time you are on campus. Saugus High School is truly "A Great Place to Be."

Go Centurions!

Mr. Vince Ferry
Principal
