Dear Local Business Leader and Friends of Gateway:

Gateway High School is hosting its third Mini-THON on May 12, 2018. This six hour event will bring together over 100 students, teachers and staff from GHS for a common cause, fighting pediatric cancer. Participants of this occasion will raise at least \$200 as a team, remain active for an entire six hours, and most importantly learn the lifelong skill of helping others, the community, and those in need. The success of this very powerful event is impossible without YOUR help!

Generous support from our community will help make an event of this magnitude successful. Every company that makes a donation to our event will be recognized throughout this event on May 12th. This is also a great opportunity to donate small prizes that your company specializes in such as gift cards, food items or donation baskets. All and any level of monetary or other donations will be greatly appreciated and will help cover the expenses and donations for a very memorable event.

We are trying to make Mini-THON an unforgettable experience, and we hope to make it a successful annual event, but we cannot make all of our dreams a reality without community support. Any donations we receive will help offset Mini-THON expenses, reward participants, and support the Four Diamonds Fund, the organization that assists with the research and financial aid of pediatric care. Your assistance would be greatly appreciated.

If you are interested in making a monetary donation to the Mini-THON, please make a check out to **Gateway Student Government Association**. If you would be interested in donating anything for the Mini-THON that would need to be picked up, please e-mail our advisor, Mrs. Ann Hurey, at ahurey@gatewayk12.org. All donations will be recognized throughout the night as long as we have them by **Tuesday, May 8th**.

Thank you in advance for your support and generous contribution to our efforts in fighting against pediatric cancer. Without your efforts our Mini-THON would not be successful.

Sincerely,

Mira Steen
