January 4, 2012

Dear Neighbor:

The New Year is underway and so is the Measure BB construction project at Mira Costa High School. No doubt you've seen, heard and perhaps even felt the work being done as the site is excavated in preparation for the foundation of our new math/science building.

As I shared with you in my letter of December 19th, one of our goals is to keep you and our other neighbors informed about the progress of our work. With this goal in mind, we invite you to join us for our first Measure BB neighborhood conversation, to be held:

DATE: Wednesday, January 11, 2012

TIME: 6:30 to 7:30 PM

LOCATION: Board Room
Manhattan Beach Unified School District
325 South Peck Avenue
Manhattan Beach, California 90266

Representatives from MBUSD, Mira Costa and our construction team will be on hand to introduce themselves, share information and answer questions about the modernization of our MCHS campus. Coffee and light dessert will be served, but please do not bring children as no childcare will be available.

If you plan to attend the Measure BB neighborhood conversation, please RSVP with Ms. Linda Huber at 310-318-7345, extension 5944 or by email at lhuber@mbusd.org. If you are unable to attend but would like to ask a question, please email us at measurebb@mbusd.org. I respond personally to each and every email we receive, even if it takes me a day or so to get the requested information. You can also follow us on Twitter at www.twitter.com/mbusdnews or obtain updates on our web site at www.mbusd.org.

Thanks and we hope to see you next Wednesday.

Sincerely,

Rick Bagley
Deputy Superintendent, Administrative Services
Manhattan Beach Unified School District
