

St. Clare supported St. Francis by reflecting the face of Christ to others as a sign of love, especially during times of trial and suffering. The St. Clare Prayer Group offers prayers and other needed help for those who desire healing, strength, and peace during times of struggle, illness, or death. However, all prayer requests including ones of praise, thanksgiving, and special intentions are welcome and encouraged! All communication takes place through an email prayer list.

If you would like to be on the email prayer list, or make a request for petitions, please email Kathleen Snashall at St.ClarPrayerGroup@gmail.com
