School Description

Located in Crows Landing, California, we are one of six traditional schools in the Newman-Crows Landing Unified School District. We are also the smallest of the four elementary schools in the district. We have 130 students. 25% are English Learners, 56% are low socioeconomic and less than 1% are special education students. The small student body provides parents with a greater opportunity for personal involvement in their child's education. The staff of Bonita Elementary School is committed to creating and maintaining an orderly, trusting, and caring environment where teaching and learning are exciting and students are assisted as they develop responsibility. All aspects of the school's organization, curricular, and co-curricular activities are child centered and designed to accommodate individual learning styles so that all may experience success. The Bonita Learning Community believes that all learners must become:

*Effective Communicators who will use verbal, written, artistic and technological forms of communication to give, send, and receive information.

*Inspired Learners who are accountable for demonstrating, assessing, and directing their present and life-long intellectual growth.

*Productive Workers who perform collaboratively and independently to create quality products and services that reflect personal pride and responsibility.

*Responsible Citizens who have a global and multi-cultural perspective, and who take the initiative for improving the quality of life for self and others.

*Resourceful Thinkers who independently and creatively strive to solve complex problems through reflection, risk taking, and critical evaluation.

As we move forward this year will focus on the following areas: Literacy across all content areas, Technology Integration, Math Improvement, Facilities that are safe and welcoming, Positive Relationships with/between parents, students, teachers and administration.

About the SARC

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC Web page at <http://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF Web page at <http://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- Statewide assessments (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. The CAAs have replaced the California Alternate Performance Assessment [CAPA] for ELA and mathematics, which were eliminated in 2015. Only eligible students may participate in the administration of the CAAs. CAA items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study

Students with Disabilities	11	11	100.0	9.1

* Science test results include CSTs, CMA, and CAPA in grades five, eight, and ten. The "Proficient or Advanced" is calculated by taking the total number of students who scored at Proficient or Advanced on the science assessment divided by the total number of students with valid scores. Scores are not shown when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

ELA test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard on the CAAs divided by the total number of students who participated in both assessments. Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy. The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the Parental Involvement State Priority (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each schoolsite.

Opportunities for Parental Involvement (School Year 2016-17)

Parents have opportunities to participate as part of the Bonita Parents Club, Bonita School Site Council and as part of the District English Language Advisory Council. We encourage parents to attend school parent nights, back to school nights, parent teacher conferences and other activities and assemblies. We also keep our website updated so that parents can use as a resource and stay informed about academic and social events. All teachers at Bonita Elementary communicate with parents on a regular basis using Class Dojo.

State Priority: School Climate

The SARC provides the following information relevant to the School Climate State Priority (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

School Safety Plan

Bonita Elementary has a Safe School Plan which was developed by a special committee comprised of administration, certificated staff, classified staff, and parents. The committee meets as necessary to review the appropriateness of the plan. The Safe School Plan is approved by the School Site Council and the School Board annually.

Professional Development provided for Teachers

In the past 3 year period teachers have been provided an average of 25 days of professional development. The focus has been on preparing teachers for continued implementation of California's Math and English Language Arts Standards and also preparing staff for the transition to the Next Generation Science Standards. We have also focused on integration of technology as a resource in the classroom to teachers and students. Teachers were also given release time throughout the school year to align curriculum and instruction to the new standards, prepare lessons and collaborate with peers on best practices. We have also began a professional development plan for all teachers TK-12 on the transition to the Next Generation Science Standards. We will continue to provide professional development in coming years as we begin to implement the new science standards.

Types of Services Funded

Bonita provides students with general and special education services. We provide resource support to students with disabilities and also provide GATE Opportunities for students that excel. We provide an Afterschool Program and music program.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest Web page at <http://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.
