Procedures for Reporting Allegations of Bullying

Shepherd ISD

The district prohibits bullying on school property, at school-sponsored or school-related activities, or in any vehicle operated by the district. Bullying may be verbal or written expression or expression through electronic means, or physical conduct. Bullying is not tolerated by the district and any student or parent of a student who believes that the student or another student has experienced bullying or that a student has engaged in bullying is encouraged to immediately report the incident. Retaliation against anyone involved in the complaint process is a violation of district policy and is prohibited.

Students or parents may report an alleged incident of bullying, orally or in writing, to a teacher, counselor, principal or another district employee.

Please note that after submission of the complaint to the district employee, the district may assign the complaint to a district administrator to follow up on the submitted complaint and any other important matters pertaining to the complaint. We encourage you to communicate with your designated administrator during this time.
