

# *Inclement Weather Policy*

## **Plan Ahead For Bad Weather**

When inclement weather occurs, school phone lines become busy and it may be impossible for you to contact your child. Please pre-plan for bad weather and other school closing emergencies and establish with your child what he or she should do if school is dismissed early. This information should be given in advance to the school's Kid Connection Director and to your child's teacher.

## **When Schools Are Closed**

Depending on road conditions, Kid Connection will operate **North Newton** and **Viewmont Elementary** sites when schools are closed to students due to inclement weather. If school is closed to both students and staff, Kid Connection will not operate. Snow day operating schedules are from 9 a.m. until 6 p.m. if road conditions permit travel. Please check our website or visit the Kid Connection Facebook page for updates on these operating hours. Any school-age child can attend our snow day camps, regardless of school or school system in which they are enrolled.

If it becomes necessary to close a site early due to increased weather risks, parents will be contacted to pick up their children 2 hours prior to closing.

## **Early School Dismissal**

When schools are dismissed early due to weather, Kid Connection will operate an additional **2 hours** beyond school dismissal. For example: If school is dismissed at 10 a.m., Kid Connection will remain open until 12 noon. If road conditions worsen, please pick up your child as soon as possible for your safety, as well as the safety of our staff.

## **Delayed School Schedule**

When the school system declares a delayed schedule, Kid Connection will also operate on a delayed schedule. For example: On a two-hour delay, we will open at 8:00 a.m. instead of 6:00 a.m., our regular start time.
