

August 2017

Dear Faculty, Staff and Parent/s of The OLC School and Little Harbor Academy:

As per the Federal Asbestos Hazard Emergency Response Act (AHERA), an inspection for the presence of asbestos containing (ACM) has been completed and an Asbestos Management Plan (AM) has been developed for The OLC School located at 248 Luis Marin Boulevard, Jersey City, NJ. The inspection report and management plan are available for review between the hours of 9:00AM to 11:00AM any school day upon five working days notice by contacting the school office.

Sincerely,

Anna Mae Stefanelli
Principal

Hazard Emergency Response Act (AHERA)
