Mr. Jeffrey Long, Principal
Mr. Paul Hetrick, Assistant Principal

March 23, 2018

Dear Community Members,

Last evening the school board held a special committee meeting to discuss school safety and security issues. Based on the decisions made at that meeting to better ensure campus safety, the Punxsutawney Area High School building will no longer be open in the evening hours for public use of any kind, including walking the hallways and using the fitness center.

Please note that the high school track will still be available to community use until dark when not being utilized for district sports programs. The district would like to thank the community for your support of this safety procedure modification. We will continue to work diligently to protect our students.

Any questions about this change can be directed to the high school administration. Once again, thank you for your attention and support.

Sincerely,

Thomas Lesniewski
Superintendent, PASD

Jeff Long
Principal, PAHS
