Dear Parent,

We are pleased to provide you information about our standardized test results. We are proud of our success and will continue helping our students grow academically and socially. Our ultimate goal is for them to graduate from Diboll High School as productive individuals that are job ready. Diboll ISD teachers and support staff use data from these assessments to develop instructional strategies and instructional lessons that will improve our students writing, reading and mathematics growth. As always it is our belief that standardized tests give us a benchmark to improve each year and are not an end all process. In Diboll ISD we use multiple assessments and data sources throughout the year to help guide us in our instructional process. Diboll ISD will continue concentrating on: **Student academic growth, student participation, student success, job ready graduates and student safety.**

Attached you will find a copy of the State of Texas 2013-14 School Report Card for Diboll Junior High. This is a report required by the Texas Legislature and prepared by the Texas Education Agency. It is to be sent to the parent or guardian of every child enrolled in a Texas public school. The report provides information concerning student performance on the State of Texas Assessments of Academic Readiness (STAAR), as well as information on student enrollment, class size averages, and financial expenditures.

The information contained in the School Report Card is required by state law and is briefly described in the enclosed "2013-14 School Report Card Definitions." The report for our school may or may not have all the information described, because the information presented depends on whether the school is an elementary, middle, or high school.

State law requires that the school report card display information about the state, the district, and the school. Where possible, the information must be reported by race/ethnicity and socio-economic status of the students and must include at least two years of results.

The School Report Cards can be found online at:

Please contact me if you have any questions concerning this report card. Thank you for your continued support of Diboll Junior High.

Sincerely,

Mark Kettering, Principal  
Diboll Junior High
