...a Christ centered family.

Dear Parents,

I hope everyone had a Merry Christmas and Happy New Year. I hope you were able to celebrate with your family and friends and remember the true reason for the season.

ROOL Registration for returning students will take place beginning January 22, 2018. If your child participates in the Louisiana Scholarship Program, is in grades Kinder through sixth, and you wish your child to return to ROOL for the 2018-2019 school year you will only need to complete the ROOL registration form.

If your child is in PK4 and you wish your child to return to ROOL for Kindergarten you must complete an OneApp and the ROOL registration form.

New students wishing to apply for the Louisiana Scholarship Program must complete an OneApp by February 23, 2018. ROOL registration for new students begins February 5, 2018.

We will begin intense preparation for the standardized LEAP tests in the spring. Your child will begin using the Coach Book in both ELA and Math more frequently. If you are not sure how to help your child, please contact your child's teacher. You may also go to [louisianabelieves.com](http://louisianabelieves.com) for more assistance and information about the LEAP test.

We strongly encourage you to attend the February PTA meeting. The PTA sponsors many events throughout the year for our students, faculty, staff, and parents. Please join us so you are well informed and supportive.

As our partner, we ask that you make sure your child, regardless of their age, **completes written homework and studies daily**. You can find homework assignments in your child's agenda and on the website. Homework is a very important part of your child's success at school. We want everyone to "Keep the Faith and Run the Race" with purpose this year and we'll need your help to get them to the finish line as winners!

Sincerely in Christ,

Vickie Helmstetter  
Principal
