

BHHS Counseling

FALL NEWSLETTER

Things are in full swing in the counseling office! We welcomed two new counselors to the department- Greg Jackson, Counselor in House B, and Casey Rowley, College Counselor. We are happy to have both of these great counselors join our team! The counselors have been busy with orienting new students and families and working with Seniors on their post secondary plans.

Exciting News! We are implementing students' 4 year plans through Naviance! This week, the counselors will be working with 9th grade students on PSAT day to create their 4 year plans and explore career interests. Students will be using their Naviance Family Connection accounts to complete the 4 year plan and take the career assessment. These assessments are a great tool to help students to explore possible majors and career options and learn how these can relate to interests, strengths and personality traits.

The information from PSAT day will be posted on the counselor's corner of the school website. Please remember to check the website and your Jupiter emails regularly.

October is more important than ever to this year's senior class! With the FAFSA opening on October 1st, students will have more of their application process to complete before the new year.

Upcoming Events

- October 24 – 11th Grade College Guidance Night
- November 3 – 10th Grade College Guidance Night
- November 8 – 9th Grade College Guidance Night
- November 9 - Coffee with the Counselors
