

Understanding Your Prescription Benefit Program

Providing you with the tools and resources to help you make better drug therapy decisions

Your Prescription Benefit Plan through Magellan Rx Management

Magellan Rx Management is Lakeview Public School's prescription benefit provider. Magellan Rx is dedicated to giving you the best service and resources to help you and your family make better healthcare decisions. The information below is a brief summary of your prescription drug plan. For a complete description of benefits, please refer to your Summary Plan Documents.

Copayments

Brand Retail	Generic Retail	Formulary Retail	Non-Formulary Retail	Brand Mail	Non-Formulary Mail	Generic Mail
\$30.00	\$0.00	\$30.00	\$50.00	\$30.00	\$50.00	\$0.00

Using Your Prescription Drug Card at Retail Pharmacies

You will receive a prescription card from your employer. Please present your new prescription card along with your prescription to any of our 67,000+ retail pharmacies every time you fill your prescription. You can access a participating pharmacy list at www.magellanrx.com.

Using Your Home Delivery Benefit

Taking advantage of your home delivery benefit may enable you to receive up to a 90-day supply of your maintenance medication(s) at a discounted price. Just ask your physician to write two prescriptions: one for a 30-day supply to get you started (to be filled at your local pharmacy), and one for a 90-day supply, plus additional refills (to be filled at the home delivery pharmacy). To get started you can:

- **E-prescribe or Fax:** Have your doctor e-prescribe or fax your prescription to 1.888.282.1349. Faxed prescriptions may only be sent by a doctor's office and must include patient information and diagnosis for timely processing.
- **Mail:** Mail us your 90-day prescription, completed order form with payment to PO Box 620968, Orlando, FL 32862.

Please note: For prompt delivery, please provide your payment information by mailing in your completed order form or by calling 1.800.424.0472.

Prior Authorization

Your prescription benefit program may have a prior authorization process for certain medications. Prior authorization is a requirement that your physician obtain approval from your health plan to prescribe a specific medication for you. Prior authorization is required for brand name proton pump inhibitors.

DAW-Dispense as Written

Members requesting a brand name drug will pay the difference between the brand name co pay and generic unless the doctor has requested (DAW-dispense as written) the brand name drug for patient in addition to the appropriate co pay.

BeWell Prescription Plan

As a member of the BeWell Prescription Plan powered by Magellan Rx, you'll experience great savings on health and wellness related items at Meijer stores. Redeem your discounts on everyday pharmaceuticals and special offers by just scanning your BeWell Prescription card at the checkout. Visit www.bewell.meijer.com for more details.
