

Subject: MSPE Engineering Scholarships

Good morning,

As the MSPE Flint Chapter President, I wanted to pass along a scholarship opportunity to your students. Every year, the Michigan Society of Professional Engineers (MSPE) awards scholarships to aid resident students of Michigan who have proven a genuine interest in an engineering career. These scholarships are for graduating high school seniors who will be attending a Michigan ABET accredited college or university and will be enrolled in an engineering program. Completed applications must be submitted to the applicant's local chapter scholarship representative by February 5th, 2016. MSPE awards will be announced in May. The link to the scholarship application is <http://www.michiganspe.org/?page=Scholarships> .

Amanda Hemeyer is the Flint Chapter scholarship representative (Genesee, Lapeer, and Shiawassee Counties), please have any scholarships mailed or emailed to her at:

Amanda Hemeyer, P.E.

ROWE Professional Services Company

540 S. Saginaw St, Ste. 200

Flint, MI 48502

Fax: (810) 341-7573

ahemeyer@rowepsc.com<<mailto:ahemeyer@rowepsc.com>>

Please encourage any interested students to take the time to apply. In addition to the scholarships awarded at the state level, last year the Flint Chapter also awarded three \$500 scholarships through fundraising efforts with our Annual Golf Outing. We plan to award these scholarships again this year but we have not received a single application for this area. Chances of receiving a scholarship are very high, so I would very much appreciate you passing along this information! Please let me know if you have any additional questions.

Thank you!

Sincerely,
