

Universal Free Breakfast Now Available For All Cañon City K-8 Students

This year, Cañon City Schools is renewing our commitment to making sure that students are fully prepared for academic success by ensuring they have access to a nutritious breakfast. To support this commitment, the School Breakfast Program is now **OFFERED AT NO CHARGE** to ALL Cañon City K-8 students (excluding Mountain View Core Knowledge) every weekday morning. Your child can simply show up and eat.

These supervised meals meet all recommended nutritional guidelines, and our staff is working to provide students with a variety of choices.

School Breakfast is an ideal solution on mornings when kids are running late or parents have early commitments. Whatever the reason, if breakfast at home is not convenient, please take advantage of breakfast at school.

Thank you for helping us to make sure that all of our students start the school day alert, well fed and ready to learn.
