

4250 – Hours and Days of Work

Both union and non-union support staff members will be paid their normal hourly or daily wages when work is unavailable because of a school closing due to inclement weather or other emergency.

Such payment of wages shall apply only if the staff member affected was scheduled to work on the day the school(s) is/are closed. In the event not all schools are closed, the affected staff member may be temporarily assigned to another location or to perform other work.

The number of such paid days shall be limited to five per school year for any non-contractual staff member.

Adopted: 8 September 1998
