

FROM THE PRINCIPAL

Dear Parents and Community Members,

We are pleased to share our annual report card issued by ODE.

At Arco Iris Spanish Immersion School, we promote bilingualism, biliteracy, cultural competence, and high academic achievement. We support and encourage every child to reach her or her full potential, and are committed to ensuring that Arco Iris remains one of Oregon's exemplary schools.

You can help us by monitoring your child's homework, attending parent-teacher conferences, and communicating with

your child's teacher when you have questions. We look forward to partnering with you for a successful year of learning.

Thank you for your support and involvement.

Thank you,

Principal | Erin Miles

STUDENTS

OVERALL SCHOOL RATING HOW ARE STUDENTS AT THIS SCHOOL PERFORMING COMPARED TO THOSE AT OTHER SCHOOLS?

The overall school rating is intended to summarize this school's particular successes and challenges. It is based on a combination of up to five factors. Three of these factors come from standardized test scores in reading and math: student achievement, student growth, and the growth of underserved subgroups. Please note that this rating is based mainly on high-stakes testing and, accordingly, doesn't represent a complete view of your school's performance. Other aspects of this report card are designed to put this rating in the proper context.

The U. S. Department of Education has given the State of Oregon approval to temporarily suspend the assignment of school ratings during the transition from the Oregon Assessment of Knowledge and Skills (OAKS) to the new college and career readiness assessments. Schools will not receive an overall school rating on this report card and will receive a new overall school rating on the 2015-16 school report cards.

SCHOOL PERFORMANCE

Performance of students enrolled in the school for a full academic year

Did at least 95% of the students at this school take required assessments? Yes No, Interpret Results with Caution
Participation rate criteria are in place to ensure schools test all eligible students.

The Smarter Balanced and alternate assessments have four performance levels where levels 3 and 4 are meeting the standard for school and district accountability.

See report cards from previous years to view historical OAKS performance data.
