PRESCHOOL/EARLY CHILDHOOD EDUCATION

The Governing Board recognizes that high-quality preschool experiences for children ages 4-5 help them develop knowledge, skills, and attributes necessary to be successful in school and provide for a smooth transition into the elementary education program. Such programs should provide developmentally appropriate activities in a safe, well-supervised, cognitively rich environment.

(cf. 6011 - Academic Standards)

(cf. 6143 - Courses of Study)

Collaboration with Community Programs

The Superintendent or designee shall collaborate with other agencies, organizations and private preschool providers to assess the availability of preschool programs in the community and the extent to which the community's preschool needs are being met. The Board encourages the development of a community-wide plan to increase children's access to high-quality preschool programs.

(cf. 1020 - Youth Services)

(cf. 5148 - Child Care and Development)
