

UNITED SCHOOL DISTRICT

SECTION: FINANCES

TITLE: PURCHASES NOT BUDGETED

ADOPTED: May 13, 2008

REVISED:

612. PURCHASES NOT BUDGETED	
1. Purpose	<p>The laws of the state and the interests of the community require fiscal responsibility by the Board in the operation of the school district. Appropriate fiscal controls shall be adopted to ensure that public funds are not disbursed in amounts in excess of the appropriations provided to the district.</p>
2. Authority SC 607, 609, 631, 687	<p>When funds are not available for a proposed appropriation, a legal transfer from one class of expenditure to another may be made by the Board in the last nine (9) months of the fiscal year if it is apparent that the necessary surplus funds do exist in another appropriation, the procedures specified in the School Code are followed, and it can be demonstrated that the proposed expenditure would be educationally warranted in the current fiscal year.</p>
3. Guidelines Pol. 611	<p>Under normal conditions, planned purchases that would exceed the amount appropriated by no more than \$1,000 may be placed in accordance with Board policy by the Director of Finance provided a sufficient amount is available in some other budget category for transfer by the Board to cover the purchase.</p> <p>In the event of emergency, which exists whenever the time required for the Board to act in accordance with regular procedures would endanger life or property or threaten continuance of existing school classes, a purchase order up to the amount of \$1,000 may be authorized by the Director of Finance.</p> <p>When budgeted funds are allocated on a building basis, the total amount budgeted may not be exceeded without prior approval.</p> <p>Any expenditures in excess of appropriation made in conformance with this policy shall be reported to the Board at the next meeting, with a recommendation of funds to be transferred to cover said purchase.</p>
