

Saint Joseph High School

WCEA/WASC Accredited

August 22, 2017

Saint Joseph High School is excited to announce that we have joined the **Amazon Affiliate Program**. This means that when you access Amazon through our website to go shopping, you will support SJHS at the same time!

It's EASY. Each time you shop on Amazon, click on the link from the SJ website, which will always be the top News Story on the home page. You will land on one of our web pages, then click on the amazon link, which will look something like the images below (products will vary).

Next, log in to your Amazon account and shop as usual on the entire Amazon website. There are no special codes or checkout procedures. All you do is click the link, log in to your account, and shop.

Nothing comes without fine print. Here are the important details for you to know:

- **Order matters:** You need to click the link, shop, and check out, in that order. If you don't click on our link first, go to Amazon in your usual way, put things in your cart, and then remember to check out – your sale will not earn us funds. Remember, you have to click our link before you put anything in your cart.
- **The clock matters:** You have 24 hours from when you link to put an item in your cart. After that, you will need to link again. If you link, put something in your cart within 24 hours, but don't want to buy it right away, that is fine – the purchase will still earn us funds if you finalize it within 90 days: just remember to click the link before you check out.
- **One purchase session per link session:** Arriving at Amazon through our link is good for 24 hours or until you place your order – after that, you need to click the link again. So if you link, complete a purchase, and then need to make another purchase – you have to link again in order for the purchase to earn a commission for SJHS.

You won't see anything that identifies you as a SJ shopper. Don't worry - as long as you used the SJ link and follow the guidelines above, your purchase will count.

Feel free to refer your friends and family to SJ Amazon link on our website. Now let's shop!

For more information, contact the Office of Advancement (mgarrison@sj-jester.org or mkoppes@sj-jester.org).

Please note that Amazon is not directly supporting SJHS. They are giving us a referral fee for sending customers their way via our website.
