Where Children Are the Priority!

Dear Parents and friends of Hearn Academy:

The 100th Day:

Monday, January 22, 2018 is our 100th day of school. School funding in Arizona is an averaged amount of money that schools earn by having high student attendance rates on the 40th and the 100th day. Pizza parties will be awarded to each and every classroom teacher who has 100% of their students at school and in class this coming Monday. Please make every effort to bring your child to school on time for our BIG BIG 100th Day celebration next week.

Enrollment Update:

Spring semester is underway and as you know, plans are already being made for next year. Most of our students have returned their confirmation letter to Miss Betty in the main office already, however, if your child has not returned the 2018-19 enrollment confirmation form as of today; please take a moment and complete your family's re-enrollment request and send it to the main office tomorrow. Space at Hearn Academy is always very limited and we want to assure our students of a space and we are working on teacher assignments for fall. The sooner we have the confirmation; the sooner plans for next year can be solidified.

New Students:

On another note, our school is very much interested in referral families. If you or someone in your family knows of a student who would make a good addition to our student membership; please ask for a "Special Invitation" to enroll and have them contact Miss Betty at 602-896-9160 for a tour. We conduct tours daily and are delighted to show prospective families around our beautiful campus.

Regards,

Gaye Garcia Leo, Ph.D.
