**PHILOSOPHY:**

The School Committee encourages the giving of recognition and awards to deserving students at all levels and for any of the educational experiences made available to the students of the North Kingstown community. It is equally supportive of the notion that all such student recognition is considered appropriate and with good judgment.

**POLICY STATEMENT:**

Any individual or group wanting to make a scholarship award to a student at North Kingstown High School under the aegis of the high school may do so according to the following procedure:

1. By contacting the High School Principal, or his/her designee, the sponsoring individual or group may have an application form drawn up which will set forth the conditions of eligibility for the scholarship, or it may use an application form devised by the school department.
2. These conditions should include such requirements for eligibility as academic standing, financial need, acceptance at an approved post-high school institution, and any other requirements desired by the donor and approved by the Principal.
