## California Department of Education School Accountability Report Card Reported Using Data from the 2014-15 School Year

Published During 2015-16

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC Web page at <http://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF Web page at <http://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians, and community members should contact the school principal or the district office.

### DataQuest

DataQuest is an online data tool located on the [CDE DataQuest Web page](#) that contains additional information about this school and comparisons of the school to the district, the county, and the state. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

### Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

### School Description and Mission Statement - Most Recent Year

Equitas Academy provides a structured, achievement-based community that prepares students to graduate from college-preparatory high schools, four-year colleges and universities

Equitas Academy believes students must have access to an achievement-oriented learning environment, beginning in kindergarten to ensure all students make a smooth transition to cope with the demands of college preparatory middle and high schools with the ultimate goal of college graduation. We envision a school with a college preparatory focus in the primary grades, so students are able to develop the foundational skills necessary for entrance into high-performing middle and secondary schools. The vision is a school with a grade span, curriculum, and educational program that will allow students, despite any obstacles, to learn to read, write, and compute on or above grade level, to develop the academic and character skills that will serve them through the many life challenges they may face in accessing higher education.

**Quality, Currency, Availability of Textbooks and Instructional Materials - Most Recent Year**

Year and month in which data were collected: September 2015

Subject	Textbooks and Instructional Materials/year of Adoption	From Most Recent Adoption?	Percent Students Lacking Own Assigned Copy
Reading/Language Arts	Teachers design rigorous, Common Core aligned units and lessons for reading comprehension, language, vocabulary, and foundational skills using Ready Common Core. All students receive differentiated reading lessons via the online reading program Lexia. Students are assessed using teacher and district created assessments, as well as the NWEA MAP assessments. Reading is also taught in small groups using the Fountas and Pinnell guided reading model. All students have access to leveled books for their reading group studies. We use the Fountas and Pinnell Benchmark Assessment system to track reading growth. Students in kindergarten through third grade will receive intensive phonics and phonemic awareness instruction using SRA Reading Mastery to ensure they have a solid foundation in fundamental reading skills. Teachers supplement the Reading Mastery Program with the Jolly Phonics to support the learning of the alphabet and the sound/symbol correlation. For writing, we adopted Units of Study in Opinion, Information, and Narrative Writing by Lucy Calkins, publish by Heinemann as our core curriculum in 2014. For grammar, our teachers create lessons using resources from SchoolWide Grammar as well as Ready Common Core. Students are assessed using program assessments, teacher and district created assessments, as well as the NWEA MAP assessments.	Yes	0.0 %
Mathematics	Teachers develop rigorous, Common Core aligned units and lessons using Eureka Math as the core math curriculum. All students receive differentiated math lessons via the online math program DreamBox. Students are assessed using program assessments, teacher and district created assessments, as well as the NWEA MAP assessments.	Yes	0.0 %
Science	Teachers use FOSS kits to write rigorous science units and lessons. Teachers supplement their lessons with videos from BrainPOP and PBS Learning Media. To align our science program to the Common Core standards, they also integrate the reading of science articles from various sources into their lessons.	Yes	0.0 %
History-Social Science	Teachers write rigorous social studies units and lessons based on the California State Standards. Teachers supplement their lessons with videos from BrainPOP and PBS Learning Media as well as primary sources from various sites such as Calisphere and the National History Archive. ## B. Pupil Outcomes

### State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- Statewide assessments (i.e., California Assessment of Student Performance and Progress [CAASPP], Science California Standards Tests); and
- The percentage of pupils who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study

#### California Assessment of Student Performance and Progress Results for All Students (School Year 2014-15)

Equitas Academy #3 opened 2015-16

Subject	Percent of Students Meeting or Exceeding the State Standards		
	School	District	State
English Language Arts / Literacy (grades 3-8 and 11)	--	33.0%	44.0%
Mathematics (grades 3-8 and 11)	--	25.0%	33.0%

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy. Double dashes (--) appear in the table when the number of students tested is ten or less.

## C. Engagement

### State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each schoolsite

#### Opportunities for Parental Involvement - Most Recent Year

Parent engagement in a child’s education directly supports a child’s academic success. To support parental engagement, Equitas Academy provides family orientations, home visits, parent workshops, family nights, school volunteer opportunities, Cafecitos (coffee talks) and School Site Council meetings. We encourage participation with school fieldtrips and attendance of any and all school events to promote family involvement in various ways. Nurturing and strengthening our parent relationships is a strategy to facilitating our student academic success now and in the future.

## School Safety Plan - Most Recent Year

Equitas Academy Charter School is dedicated to ensuring that every effort is made in providing our scholars with a safe and organized learning environment. The classroom is a bridge to learning and the instructional program, for these reasons there are procedures and regular routines that help keep our school safe. School safety and climate are a part of student life from day one. Students are expected to follow a set of rules, "The Equitas Way," that facilitate student and school safety. The expectation is to always "be safe" which permeates through our school culture of not running, showing respect and keeping hands to oneself by using the STAR position. Daily morning meetings that focus around developing core values and safety help further the internalization of an overall safe school climate and works as a prevention program. This school cultural environment along with regularly scheduled emergency drills are practiced to prepare students and staff for earthquake and fire evacuations.

**Types of Services Funded (Fiscal Year 2014-15)**

The types of services and programs that are provided at Equitas Academy through categorical and other source funding help provide supports that allow student achievement and success. Those supports and programs include daily student intervention (RTI), Student Success Team (SST), Special Education (SPED) development, afterschool programming (ASES) and an enrichment program.

**RTI**

Additional daily, targeted student support is provided by teachers for performing far below or above grade level, students with low socioeconomic status, English Language Learners, and Special Education students.

**SST**

Students identified for additional supports are referred to the Student Success Team (SST) based on their educational needs. The SST process includes additional instructional supports, a timeline for implementation, and goals for the student.

**SPED**

Students who qualify for SPED services receive additional educational services according to qualifications.

**Enrichment Program**

Equitas believes that provided opportunities to experience activities outside the academics helps students prepare for their future endeavors to and in college and in their lives. Equitas is able to provide enrichment classes to all students 4 days a week.

**ASES**

Equitas Academy students have access to a daily afterschool program that offers academic support in math, ELA and homework while offering enriching activities that address the whole student such as technology and photography clubs.

**Professional Development – Most Recent Three Years**

To ensure that we are able to hold students to a clear promotion policy that expects our students will meet rigorous academic standards, Equitas Academy provides extended professional development time to develop our staff and to support our educational program. Annually, teachers receive 29 days of professional development. Additionally, students are dismissed on day per week at 1:45pm to allow for two hours of weekly professional development for teachers.

Professional Development is central to ensuring curriculum and teaching is delivered effectively. Upon hiring, all teachers will participate in four weeks of summer professional development training. This training: lays the foundation for a consistent and structured school culture; ensure common classroom management strategies and class procedures; establish school-wide expectations for behavior; and establish common lesson planning formats, standardized curriculum and assessments, and effective instructional delivery.

\* Full day Professional Development Days (excludes weekly Professional Development)
