

DID YOU KNOW?

*Online Resource Provides Tech Training for All
Teachers, Staff, Students, & Parents!*

We have recently partnered with Atomic Learning to offer tech integration and mobile learning resources to the entire district.

You now have access to:

- 24/7 online technology training tutorials on 250+ software applications
- Career Skills training to help you be successful and gain confidence in today's workplace
- Access to your training through the Atomic Learning iPad app

Our subscription to Atomic Learning includes nearly 50,000 step-by-step tutorials on common software, workshops and technology integration projects on emerging topics, such as blogging and Internet Safety.

We invite you to use it as a resource for your household, and ask that you encourage your child(ren) to use it from home as well.

Log in and start learning today!
