E110: PAYMENTS

Policy

The Milton Town School Board will comply with the review requirements of 16 V.S.A. §563 (8). The review process is intended to ensure that all payments are lawful and in accordance with the budget adopted by the District.

The Superintendent or his/her designee is authorized to sign the Payroll Warrant and that signature will represent the approval of the School Board and shall authorize the School District Treasurer to release the checks.

School Board Trustees will review and approve Payment Warrants. Approval of the Payment Warrant through a warned School Board meeting shall authorize the School District Treasurer to release payments.
