

**Vallivue School District #139**

Every student is entitled to a uniform and thorough free public education. Each student's primary purpose in attending school is to engage in learning, and his or her cooperation and dedication is fundamental to obtaining a quality education.

The board of trustees seeks to protect the rights of each student and promote the welfare of the student body. These student policies are intended to facilitate a quality experience for students in all activities related to the educational program. Each student should have the experiences that will enable him or her to become a useful and productive citizen.

All students and staff share the expectation that all students can learn. The Vallivue School District is dedicated to providing equity in terms of learning. Learning takes place in a safe, orderly environment, and students are expected to behave according to established, fairly executed rules of conduct.
