 NOTES: High School Student Jourdan Pollock was recognized for his achievement in Theatre Arts and gave a short presentation of his winning entry for the board. The Middle School science teachers presented the winning

entries in the Middle School Science Fair that competed at the regional level and will be competing at the state level. Ranjan George presented the Transportation/Maintenance Report and stated this was the year to purchase two additional buses for the fleet. The buses to be purchased are a 19-passenger and 77-passenger bus. He also reported a large turnover in the custodial staff and that a custodial survey would be conducted later in the week. In the absence of Athletic Director Brad Bowden, Superintendent Frank Walter reported on the first high school track meet and the annual middle school track meet hosted by the district the prior weekend. Rick Bacon spoke concerning facilities, stating the high school roof should be completely covered in three weeks, the elementary playground equipment should be installed during spring break, and the architect has been consulted on both the cafeteria expansion and football field. He also reported activity was being generated on the football field bleacher expansion and middle school bleacher upgrade. Chris duBois gave the Quarterly Investment Report and told board members of a grant he had learned about that would pay for a high school science lab. Supt. Walter reported five people had signed up to run for the 2008 School Board Elections: Jacque Anderson, Craig Younts, Keith Covey, Rhoda Sue Smith and Mike Diaz.
