BORDENTOWN IS ON POINT!

November 27, 2017

Press Release – Academic Hall of Fame Nominations

Each school year, Bordentown Regional High School accepts nominations for induction into the Academic Hall of Fame. The school coordinates this induction with its annual Scholastic Awards Banquet, where seniors who have maintained an academic average of at least 86% for their first seven semesters are honored. This year's banquet is being held on Tuesday, May 1, 2018 at BRHS.

A committee composed of community members, faculty and administrators reviews nominations and selects the alumni to be inducted into the Hall of Fame. BRHS would like to elicit more input from the community in this year's selection process. Therefore, any community member who would like to nominate someone for induction into the Academic Hall of Fame is asked to contact Nancy Errickson at Bordentown Regional High School by Monday, January 22, 2018. She can be reached by phone (298-0025, extension 1102) or e-mail nerrickson@bordentown.k12.nj.us. Nominees must have graduated from William MacFarland High School or Bordentown Regional High School and have distinguished themselves in their personal and/or professional life.

Robert S. Walder, Principal
Amy B. Jablonski, Assistant Principal

Joseph F. Sprague, Assistant Principal/AD
Teresa C. Valentin, Assistant Principal
