### TO THE SUPERINTENDENT OF THE CALIFORNIA SCHOOL FOR THE DEAF, FREMONT

I give my permission for the student host named above to bring the student guest named above to student host's home for the weekend. I understand that I am assuming full responsibility for this child while he/she is away from school. I choose to permit this visit and will not hold the California School for the Deaf liable. I also understand that visits are a privilege and are approved on the basis of student behavior; the State is only obligated to provide transportation for students to go home.

#### How will the students travel?

To qualify for visit privileges, both the student host and student guest must have shown appropriate behavior in cottage, at school and on buses. **NO** visits are permitted during the first week of school or during the summer session.

**Note: Adult student hosting a student guest must have approval from student host's parent/guardian.**
