

Central ISD Mission, Vision, and Board Goals

Mission

- Central ISD exists to prepare our youth to excel academically through positive relationships and quality education for the success and betterment of our school and community.
- Central ISD exists to create & sustain student-centered schools & develop future-ready students.

Vision

- Central ISD will prepare and graduate productive citizens, who can think critically, have the knowledge and marketable skills necessary to function successfully, and have a strong sense of self-worth.
- Each student learns about and practices a healthy lifestyle
- Each student learns in an intellectually challenging environment that is physically and emotionally safe for students and adults
- Each student is actively engaged in learning and is connected to the school and broader community
- Each student has access to personalized learning and is supported by qualified, caring adults
- Each student is challenged by a well-balanced curriculum and is prepared for success in college or further study and for employment in a global environment

GOALS:

Student Learning - All students reach their full potential

1. To attain 100% graduation rate.
2. To provide rigorous learning opportunities on the written, taught, and tested curriculum based on the Texas Essential Knowledge and Skills.
3. To provide 21st century learning by utilizing digital tools as much as possible. (Chromebooks 1 to 1)
4. To provide college and career readiness by expanding dual credit and certification programs through Angelina College. (Dual Credit)
5. To develop self-disciplined and independent learners while building positive relationships. (AVID system) (CKH)
6. To ensure the implementation of district progress monitoring system through teaming.
7. To provide targeted support to all campuses for student mastery of the TEKS.

8. To increase student learning in core academic areas with special emphasis on the economically disadvantaged, English Language Learners, and special education students. (Campus intervention systems).
9. To focus efforts on improving the quality of curriculum, instruction, and assessment in all core areas as well as Pre-AP, AP and Dual Credit courses. (AVID system)
10. To support a well-rounded education for all students by expanding student participation in UIL activities and other co-extracurricular activities.

School Finance

11. To monitor district revenue/expenditures while focusing on efficient and effective operations.
12. To maximize state funding and work with legislators to support an equitable school finance system.

Human Resources

13. To recruit, hire, and evaluate highly qualified staff while developing high performing teams district wide.
14. To implement new teacher mentoring program.

School Safety

15. To make a safe learning environment a top priority by implementing regular safety checks conducted in all CISD facilities.
16. To monitor safe school environment with increased supervision and security technology.

Technology

17. To improve instructional technology with wireless infrastructure through budget E-Rate and grant funding.
18. To implement “1 to 1” digital tools program on secondary campuses.

Facilities

19. To maintain and improve all district facilities for a safe and clean learning environment.
20. To make necessary updates to instructional facilities, athletic fields, & cafeteria.
