

The Beaufort Academy Emerging Leader Scholarship

The 2018-2019 school year marks the fifth year for the Beaufort Academy Emerging Leader Scholarship program. This scholarship is designed to identify and support a rising 9th grade student throughout his/her upper school tenure at BA. Founded anonymously by Beaufort Academy parents, this award is unique in its focus on identifying future leaders and cultivating their leadership skills.

All current 8th grade students will receive scholarship information in April. New students will receive this information as they enroll.

The application process is explained on the accompanying page. It consists of an application, essay, online assessment by a teacher, and personal interview for the final candidates by the Emerging Leader Scholarship Committee.

The recipient of the scholarship will receive a \$1,000 tuition scholarship every year throughout high school to help to defray the cost of tuition. The requirements to secure and maintain this four-year scholarship are:

1. The student must maintain at least an 88 (mid-range B) average throughout upper school.
2. The recipient must attend a leadership conference prior to his or her junior year. The conference will be mutually agreed upon by the recipient and the scholarship committee, and will be funded by the Emerging Leader Scholarship.
3. The recipient must be active in one community organization.
4. The recipient must be active in leadership roles at Beaufort Academy.

What does the emerging leadership student look like? Who should apply? B or better students who can answer the following questions with a “Yes” can and should apply.

- Are you the kind of student who knows when to step up and take a leadership role and when to follow?
- Are you the unsung hero in some cases who does the right thing and seeks no recognition?
- Can you describe situations where you have shown courage, clarity, and/or character?
- Would financial assistance help you continue or beginning to attend Beaufort Academy?

The completed application deadline is May 15th. All decisions will be made prior to the start of the school year.
