GAHR HIGH SCHOOL INTERNET/CD/FLASH DRIVE USE POLICY

Gahr High School is able to offer in depth Internet/CD access to students. The Internet enables students to explore libraries, databases, and other sites on the World Wide Web as a means to support learning and to enhance instruction. It is the intent of Gahr High School to make Internet access available in order to further our students' educational goals and objectives, however, some materials accessible on the Internet may contain items that are controversial, inaccurate, or simply offensive. In order to be allowed initial access to the Internet/CD all students must obtain parental permission. Both student and parent must sign a consent form. Computer and Internet access is a privilege not a right. Access entails responsibility. The "ABC Unified School District Electronic Information Services Agreement" must be returned to the Library where a permission to use a sticker will be placed on the student's ID card.

The conduct has the purpose or effect of creating fear, aggression, hostility, anger, or conflict between racial groups.

The race of an individual is used as the basis for any decision affecting the individual regarding benefits and services, honors programs, or activities available at or through the education institution. The conduct has the purpose or effect of unreasonably interfering with an individual's environment or of adversely affecting teacher or student performance, evaluation advancement, assigned duties, or any other condition of the educational environment.

Cooperating, backing up, or going along with a racial group whose conduct is threatening, intimidating, aggressive or hostile.

EXTRA CURRICULAR ACTIVITIES DISTRICT POLICY

Team Selection/Participation:

We believe in our coaches and their job is to manage and direct a specific sport. With this in mind, it is the coaches' right and responsibility to evaluate and select students for teams, as well as determining the degree to which each student-athlete will participate and they do this with considerable thought and sensitivity. During the selection process, coaches will evaluate skill level, athleticism, physical conditioning, positional play, trainability, punctuality, and various other attributes.

We want our student-athletes to learn the value of being on a team and the contribution each must make. Team members have a responsibility to themselves, their teammates, and their coaches to learn and perform their role on the team. Teamwork requires the development of many interpersonal skills such as listening, following directions, accepting constructive criticism, being respectful, and supporting teammates and coaches. Student-athletes have an obligation to participate in practice sessions and games with full commitment and enthusiasm. ABC Unified School District believes that at all level, sixth grade through varsity, playing time in competition is earned in practice and is not an entitlement. Regardless of the subjective nature of the process and the potential for disagreement, the coach is the only one in a position to make team selections and decisions about playing time.

Members of a team are not guaranteed playing time. Student-athletes should fully understand that by joining a team they are accepting the pleasures and benefits of participating as well as the responsibility and commitment to that team.

Playing Time

The critical role of a team member, at all times, is to enthusiastically and positively support the team and the individuals who are competing. Many high school sports are highly competitive and as a result, the amount of playing time in contests for an individual athlete cannot be guaranteed. There may be circumstances when a student-athlete will not get any playing time for multiple games or an entire season. However, all athletes are afforded practice time appropriate to their position and the needs of the team in order to allow the opportunity for personal improvement and growth.

Each coach will fairly and properly assess an athlete's current skill level. At the time these assessments are made, student-athletes may not get equal playing time. Many factors determine an athlete's playing time including but not limited to: performance at practice and in contests, skill level, attitude, behavior, effort, coachability, sportsmanship, the strengths and skills of the opponent, team dynamics, school academic and discipline issues, as well as attendance. In the event an athlete

is concerned about his/her playing time, he/she should follow communication protocol to discuss with his/her coaches the necessary steps for improvement needed.

BEHAVIOR, ATTENDANCE, GRADES (B.A.G.) CRITERIA

Student activities such as Dances (Homecoming/Winter Formal/Sadies/Prom), Senior Privilege, and Senior Activities (including, but not limited to Graduation, Candle Rose and Grad Night) are a privilege at Gahr.

In order for students to obtain clearance to such activities, they must ensure their student profile has cleared “B.A.G.” status, prior to admittance to such events.

Behavior	Attendance	Grades
Students may NOT have any Major Discipline infractions on their record within the last (5) weeks of the school year, prior to the event.	Student must have minimum attendance rate of 90%.	Students must be on-track for graduation. If a student is on the Non-Grad list, they will not be permitted to attend senior related activities.
IF a major discipline infraction is on the student’s record within the 5 weeks of the said event- student will not be permitted to said event. Ticket refund policy/event will be observed.	Student must attend Saturday School to clear any cuts/excessive tardies	

STUDENT ID POLICY

ID lanyards are required to be worn by all Gahr High School students at all times during school.

ID lanyards must be worn around the neck, on the front of the body, on the outermost clothing, and properly display their current Gahr High School ID Card.

Gahr High School provides every student an official school lanyard and ID free of charge during registration. This is the only approved lanyard. Students may not wear lanyards other than the lanyard issued by the Gahr High School.

It is recommended that these items be left in a locker or with a trustworthy friend, as the school is ***not responsible*** for lost or stolen items. This includes but is not limited to textbooks and other school property that is checked out in the student's name.

A cashless system is used in the cafeteria lines and at the carts and students **MUST** have their ID cards with them to get a meal.
