

PTA Volunteer Opportunities

Welcome!

We hope you will consider helping the district and our children by volunteering your time or supporting one of our fundraisers in the coming year! Without your help, the PTA would not be able to provide the many wonderful programs, activities and events it sponsors. Your time, ideas and expertise are greatly appreciated.

A listing and brief description of all committees can be found on our website at www.bendist25.org/pta. Please consider the volunteer opportunities and select a committee that best suits you. You will find that your children love to see you helping in their school. Parent involvement is one of the strengths of our district.

By volunteering on this form, you are signing up to help with a committee, not to lead it. Another form will be sent out to sign up to be a Chairperson.

If you have any questions, please do not hesitate to reach out to the current Executive Committee. We'll be happy to answer any questions you have.

Together, we can make a difference!

Sincerely,

Benjamin-Evergreen PTA Executive Board
