On December 13, 2016, the board approved the Priority One bond project list

For Walter Colton Middle School this included:

- 21st Century Learning Environment – WCMS Library Upgrade
- Estimated cost of $750,000

What is being requested of the board: Staff is seeking a board-approved amendment to eliminate the library project and replace it with a modernization of WCMS’s courtyard
Recommended action:

Proposal:

- Eliminate library upgrade project from Priority One bond list
- Park the library upgrade for possible Priority Two project – pending FAC review and board approval
- Add WCMS Courtyard Modernization to Priority One board approved project list
- No change to original cost estimates for the school - $750,000
