

CHANGE FOR CHILDREN

This is a week-long ZMS PTO sponsored holiday fundraiser that collect funds for local families who need some extra assistance during holiday season. Students bring in loose change and participate in a fun competition called “Penny Wars”. Pennies in a bucket will be deducted from each classroom’s total of other money collected for the day. PRT/SOAR classes compete against each other within their grade level and the winner for each grade is announced at the end of each day. At the end of the week, the winning classes in each grade will win a treat. The money collected will be used to meet some of the needs of our local families by funding gift cards, groceries & gas cards, lunch money, etc.

It is amazing how quickly loose change adds up and makes a big difference for some families. Gather your loose change and encourage your children to participate in this fun holiday project.

Dollar bills and checks are accepted as well (checks may be written to “ZMS PTO”).

Parent volunteers will assist in collecting & counting the change and track classroom totals. If you are interested, please fill out a [Volunteer Form](#) and mark Change for Children. Someone will be in contact with you!
