Dear YES Supporters,

We are in the works of planning our summer reading program for 2018 in which we will purchase a book for all students in grades kindergarten through fifth grade to take home, read, and return in the fall. They will complete a postcard after completely the book which has questions on it and return the postcard to school. Students can also stop by the school during the summer to pick up additional postcards to fill out for each additional book they read over the summer. Each postcard that is completed and returned will enter the child in a drawing for prizes. We will also offer times for the students and parents to participate in the books being read aloud during the summer on Tuesdays.

In order for our school to have a successful summer reading program, we are looking for businesses and community members to sponsor the program. We can use community leaders to volunteer to read to the students or monetary donations from businesses to fund the program. The books are going to cost approximately \$2000 while the bags to put the books in, paper, ink, and other expenses are estimated to cost around \$500. In addition, we will need funds to purchase prizes for the students. We would appreciate local businesses making donations to help offset the cost of the program and remember that you can use it as a tax write off as well.

We have a variety of ways that you can become a sponsor of our summer reading program:

- 1 – Make a monetary donation to the school labeled summer reading program.
- 2 – Donate through our GoFundMe page. ([gofundme.com/bxjyf6-summer-reading](https://gofundme.com/bxjyf6-summer-reading))
- 3 – Donate prizes for the students to win. (Items that students would enjoy or gift certificates to restaurants, stores, etc.)
- 4 – Donate of your time to come and read to the students. (We would love to have community leaders and helpers such as firemen, police, etc. The reading time should be on Tuesdays around lunch time but all the details have not been finalized.)

If you are willing to be a sponsor of our summer reading in any of these ways, please fill out the attached form and return it to the school by May 11. If you are signing up to volunteer to read, please be sure to fill out the contact information on the attached form and we will get back in touch with you regarding an exact date.

Thank you for your support of YES's summer reading program.

Sincerely,

Kelly Kirkland, Principal
