

## Stephenville Independent School District Student Permissions

Student Name:	First	Middle	Last	Suffix	Student ID

**Student Handbook:**

Check to confirm:  We acknowledge that we have received the campus Student Handbook.

**Code of Conduct:**

Check to confirm:  We acknowledge the Student Code of conduct is accessible online at [www.sville.us](http://www.sville.us) and a hard copy is available upon request at the campus. We understand students will be held accountable for their behavior and will be subject to the disciplinary consequences outlined in the Code. We will contact the campus administrator if we have questions or need an explanation regarding the required conduct and consequences for misconduct.

- I do not give permission for this student to be administered corporal punishment. Please reference the student Code of Conduct for more information on corporal punishment.
- We acknowledge the campus student/parent handbook, District Grading Guidelines and the District Parent Involvement Policy are accessible at [www.sville.us](http://www.sville.us) and a hard copy is available upon request at the campus.

**Release of Student Information:**

Stephenville Independent School District has designated the following information as directory information that may be released to the public, subject to the choices indicated below:

student's name, address, telephone listing, email address, photograph, date and place of birth, major field of study, degrees/honors/awards received, height—if a member of an athletic team.

- |                  |                              |                             |
|------------------|------------------------------|-----------------------------|
| Military         | <input type="checkbox"/> Yes | <input type="checkbox"/> No |
| Higher Education | <input type="checkbox"/> Yes | <input type="checkbox"/> No |
| Public           | <input type="checkbox"/> Yes | <input type="checkbox"/> No |
| District         | <input type="checkbox"/> Yes | <input type="checkbox"/> No |
| Local            | <input type="checkbox"/> Yes | <input type="checkbox"/> No |

**Public Media Permission:**

- Yes  No I give permission for this student to be personally interviewed, photographed (yearbook and class pictures), and identified by Stephenville ISD or the public media for the purpose of doing a story on the student, classroom, or school project.
- Yes  No I give permission to display this student's class work, projects, and technology products in any format (printed, digital, etc.) without personal identification or by first name only.

**Field Trip:**

Field Trips are an integral part of the educational learning process. Prior to each field trip the parent will be notified of the nature of the trip.

- Yes  No I give permission for this student to participate in field trips.

**Student Acceptable Use of Provided Internet and Computer Resources:**

I understand that computer use and resources are not private. SISD will be able to track activity and may detect and/or punish misuse/abuse. I understand that District computers, Internet access, and resources are designed for educational purposes and are filtered/monitored. I understand that all SISD technology resources are available to students to support instructional programming and that acceptable use is outlined more thoroughly in the *SISD Internet Access Acceptable Use Policy* which is accessible online at [www.sville.us](http://www.sville.us). I understand the terms outlined for my student to have access to technological resources available through the SISD.
