California Department of Education School Accountability Report Card Reported Using Data from the 2016-17 School Year

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC Web page at <http://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF Web page at <http://www.cde.ca.gov/fq/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the [CDE DataQuest Web page](#) that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

About Our School

Cornerstone at Pedregal, an established leader in academic excellence, is a parent participation school with a common focus of teaching to the "whole child" which includes a strong academic program and an equally strong program that supports the social-emotional well-being of all students.

Our innovative participation model allows for the design of an ever-evolving program that is nationally recognized. A California Distinguished School in 2004 and 2010, Cornerstone had the honor of becoming a California Gold Ribbon School in 2016. In addition, Cornerstone was honored with the 21st Century Schools of Distinction award.

Our school-wide focus on Growth Mindset and our Harper for Kids Youth Character Development Program, based on John Wooden's Pyramid of Success, reinforce the message delivered to all Cornerstone students that the sky is the limit as to what they will be able to learn and do.

Cornerstone teachers are a dedicated and committed staff engaged in ongoing professional learning at both the site and the district level, often participating as teacher leaders in district professional learning activities. They remain grounded in educational pedagogy and are constantly growing, refining their teaching practices, and seeking innovative ways to engage all students.

Since 1993, our parents and staff have worked in partnerships to create a dynamic and responsive campus. A sense of extended family grows quickly with both children and parents supported by the in-service trainings with the child's teacher throughout the year, multiple parent meetings with the entire parent body, and opportunities for specialized guest speakers.

We take pride in our state-of-the-art Library and Technology Center (LTC). In addition, all classrooms utilize technology as a tool for enhancing instruction. Our science program is supported by parent volunteers utilizing our fully-equipped science lab for hands-on experiments including STEM opportunities for all 4th and 5th grade students.

Cornerstone at Pedregal Elementary School provides parents the opportunity to be actively involved on a regular basis in their child's educational adventure. Additional art, drama, and music opportunities complement District programs and other parent-led activities make use of our knowledgeable mothers and fathers.

At Cornerstone, teachers, staff and parents work together to prepare our students for wherever their journeys may take them.

School Description and Mission Statement (School Year 2017-18)

Cornerstone at Pedregal Elementary School is a parent participation, kindergarten through the fifth grade, school. Cornerstone is centrally located on the Palos Verdes Peninsula in the city of Rancho Palos Verdes. Cornerstone Elementary has provided a model parent participation program in the school district. The belief that education should be an extension of the family is the basis for parents participating at Cornerstone in every phase of their child's education. The core curriculum is aligned with the State Standards. Evidence of student progress is noted each trimester with the standards-based report card. The Cornerstone staff and families believe that the elementary school should be the "Cornerstone" of the students' learning experience. Parent volunteers have opportunities to support the classroom teacher in a variety of ways. Specialty shifts in the area of science, writing, and math have been utilized. All parents are invited to attend regularly scheduled in-services held by the classroom teachers and other professionals. These in-services prepare the parents for upcoming activities and educational programs their children will be learning. Having additional trained adults in the classroom for small group instruction has proven to be an effective strategy for improved student performance. Working with parents, the entire school staff successfully creates a warm, nurturing, educational, and safe learning environment for all grade levels. In 2004, Cornerstone received three prestigious honors. Cornerstone Elementary School was recognized as a California Distinguished School, an Intel School of Distinction in the area of Parent Participation, and was one of only 20 schools nationwide to be recognized as a Lighthouse School by the Blue Ribbon Schools of Excellence. In 2008, Cornerstone received the California Distinguished School Honorable Mention Award. Cornerstone was also recognized as a 2014 California Distinguished School. In 2016, Cornerstone was recognized as a California Gold Ribbon School. Additionally, Cornerstone has been included in the California Business for Education Excellence Honor Roll for the past several years. Cornerstone Elementary School implements a very effective program to ensure the development of the "whole child". The school provides students with leadership opportunities such as student council, peer mediation, and grade level buddies. The students take an active role in the community by helping various organizations and participating in service learning projects. All students are given the support, tools, and opportunities to be successful in numerous areas while attending elementary school.

Mission Statement:

Cornerstone is a parent participation public elementary school that provides the unique opportunity for parents and staff to work together in partnership, offers an exceptional academic, cultural, and experiential environment for all students, where:

- Teachers utilize the support of parents to deliver and enhance curriculum in a variety of creative ways
- Trained parents assist teachers in the classroom on a regular basis
- Students are provided the highest level of educational standards by talented teachers and are enriched with unique activities provided by resourceful and hard-working parents in fun, creative ways that encourage a love of learning
- Teachers and parents work together to create a strong sense of extended family and community

School Facility Conditions and Planned Improvements

Cornerstone Elementary School is kept very clean and the grounds are beautiful. Communication between the school and District Maintenance is seamless, ensuring that any repairs are taken care of in a timely manner. Students are enjoying the new grass that is now in the kindergarten yard. Our new bottle filling station is used by the entire Cornerstone community. We continue to monitor and repair playground surface areas.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

CAASPP Test Results in ELA and Mathematics for All Students

Grades Three through Eight and Grade Eleven (School Year 2016-17)

Mathematics (grades 3-8 and 11)	87%	85%	73%	72%	36%	37%

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3--Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each schoolsite

Opportunities for Parental Involvement (School Year 2017-18)

Parent Involvement is a "cornerstone" of Cornerstone Elementary. Parents have opportunities to volunteer in a variety of ways. Some of the parent involvement activities include: small group instruction, individual student support, Junior Great Books discussion facilitator, Writer's Workshop, Art Trek instructor, Art At Your Fingertips docents, Read Across America team, Committee for the "Year Of" study of a country's culture, performing arts at each grade level, school safety and disaster preparedness, student supervision, grade level Mother's Day activities, Father's Day activities, Teacher Appreciation week, Spelling Bee, Science Night, Assemblies, Yellow and Red Ribbon Weeks, Support in the Technology Lab, Support in the Science Lab, STEM, School Beautification, School Site Council, English Language Advisory Committee, Parent Board, Booster Club, Student Council, organizing the weekly communication to parents from the school and the Parent Board, and organizing after school or before school classes for students. Parents attend classroom in-services, general parent meetings and parent education nights to stay informed about the programs at Cornerstone. The sharing of ideas, innovative educational practices and programs are just a few of the topics discussed at these meetings. The opportunities to be involved and to make a difference in a child's education are abundant at the school.

School Safety Plan (School Year 2017-18)

A review of our school indicates that the students, parents, and staff of Cornerstone are safe on campus, off campus at school sponsored events, and traveling directly to and from school.

Cornerstone performs regular practice emergency drills which include: fire drills, drop and cover drills, lockdown, earthquake drills, evacuation drills, etc. Cornerstone participates in the annual "Great American Shake Out" and is constantly seeking feedback to improve our earthquake and emergency preparedness.

During the 2015-2016 school year, there were zero suspensions reported at Cornerstone. There were no instances of hate crime. Cornerstone creates a safe school environment. The school implements programs and practices to address bullying that are aligned to District policy.

Plan Adopted by School Site Council January 30, 2017

Plan approved by District Governing Board on February 22, 2017

Professional Development

Professional Development is coordinated by the District Office for all schools. Elementary teachers are given opportunities to meet throughout the school year, often by grade level, either during the two full-day district-wide professional development days, or during after school workshop opportunities. Additionally, there are often opportunities for professional development and collaboration during the summer. As a school site, we meet as a staff, for one hour a month, to focus on both the District and site specific professional development goals. Grade level teams also meet weekly, to collaborate and share best practices.

Cornerstone has aligned its professional development goals with the PVPUSD multi-year roadmap which includes the District's long range plans for professional development. One focus of Cornerstone's professional development, both in the 2016-17 and 2017-18 school years, is on Growth Mindset and the social-emotional well-being of all students. The school has also been focused on strengthening a unified writing program, through the implementation of Writers Workshop. In the 2017-18 school year, a team of Cornerstone staff is attending the first year of Positive Behavior Intervention and Support Training and is in the beginning phases of establishing a school-wide PBIS System.
