Dear Parents,

We are once again offering the FUEL program at our school this year. If you are not familiar with this program, it is a food subsidization program that provides healthy snack food for children in need over the weekend. The program is designed to help those children who might not have enough food over the weekend due to their family not being able to afford any extra. The program at EGE is sponsored by our local churches and names of those participating are not shared with our sponsors outside of this school.

Here is how it works: A bag of non-perishable food items is given to your child on Friday of each week we are in school. Your child brings the food home and enjoys it over the weekend. This offer is also extended to any siblings your child has at the school as well.

If you agree to participate in the program, we ask that your child does not share this food with other children at school or on the bus. The food should go home with that child and can then be shared however seemed fit. We need your permission for your child to participate in this program. Please complete the form below and have your child give it to his/her teacher. *If your child already has plenty over the weekend, we thank you for not signing up for this program so that we can offer more for others in need.* If you have any questions, please feel free to contact the office.

Sincerely,
Mrs. Brittany Henderson
School Counselor
