Transportation Routes And Services

Routes and Bus Stops

The Superintendent or designee shall design transportation routes and stops to promote the safety of students and maximum efficiency in the use of buses.

Students shall be eligible for transportation service to and from school if the distance between their school-established bus stop and the school is beyond the minimum listed below:

1. For elementary school students:

Grades K-3: three-fourths mile

Grades 4-8: one mile

The Superintendent or designee may authorize transportation within the walking distance when safety problems or hazards exist.

Students who attend a school outside their attendance area will NOT be provided transportation to and from school.

The Superintendent or designee shall communicate in writing to parents/guardians regarding bus routes, schedules and stops.

Transportation Services

With the Governing Board's authorization, transportation services may be provided or arranged by the district for:

1. Students traveling to and from school during the regular school day (Education Code 39800)
2. Field trips and excursions (Education Code 35330)
3. School activities, expositions or fairs, or other activities determined to be for the benefit of students (Education Code 39860)
4. District employees and parents/guardians traveling to and from educational activities authorized by the district (Education Code 39837.5)

The district shall provide home-to-school transportation and additional transportation services as needed for students with disabilities as specified in their individualized education programs. (Education Code 41850; 20 USC 1400-1482; 34 CFR 104.4)

The Superintendent or designee shall provide transportation to homeless children in accordance with law, Board policy and administrative regulation.
