

Associated Student Body (ASB)

Legally part of the School District, Board and School. Funds generated by students as part of their individual organized clubs. Funds can only be used for approved ASB expenditures. Student council created for each club. ASB advisor (district employee) supervises all clubs of ASB. Club review fund raising efforts and approve all fund raisers and expenditures for their club. Minutes taken for all club decisions. ASB bookkeeper assigned (district employee) to maintain ASB financial records. Records audited by independent external auditors. ASB funds raised and spent in accordance with District policies and procedures. Expenditures require approval by three people: Principal, ASB Advisor and student representative of the club

Booster Clubs

Separate Legal Entity. Not legally part of the School District, Board or School. Established usually as non-profit 501(c)3 organization to provide support to the students of school. Booster Board established as part of booster organization. Raises funds and either donates these funds to the District/ASB clubs or funds expenditures for assistance to individual clubs/extra curricular sports programs programs. Funds raised by booster clubs are NOT deposited into or commingled with the funds or bank accounts of the ASB or the District. Funds are deposited into the Booster Club's own bank account. Audited by independent external auditor contracted by booster club.
