

Response to Intervention (RTI)

RTI is a process of systematic assistance for academic and behavioral challenges that is based on students' needs. Centinela Valley Union High School District considers Loyde to be a Tier III intervention for the district as a whole. That said, within Loyde, we also have three levels of interventions to ensure all students can be successful. The RTI program at Loyde is monitored by an RTI team consisting of the Principal, Counselor, Project Facilitator, DIS Coordinator, SPED Department Head, and ELD Coordinator. They meet on a bi-monthly basis to identify students for interventions, and to monitor students receiving Tier II & III supports. At Loyde, each level of RTI addresses our focus issues of academics, attendance, and student behavior. Listed below are the available supports:

RTI Tier I

Tier I of the RTI program consists of the universal core services available to all students:

- **Academics**
 - Direct Interactive Instruction
 - Parent Institute for Quality Education
 - Quarterly Academic Progress Meetings
 - Graduation Plan
 - Renaissance
 - Positive Behavior Supports and Interventions
 - School website
 - PowerSchool Parent and Student Portal
 - Blackboard Connect Teacher
 - Supplemental Education Services
 - Common Core State Standards
 - Common Assessments (Benchmark Testing)
 - Small School (<200 Students)
 - Small Class Sizes (<20 Students)
 - Flexible schedule
 - Edgenuity
 - Family Awards Nights
 - Orientation class
 - 18+ conferences
 - After-school tutoring

- **Attendance**
 - Blackboard Connect Attendance Messaging
 - PowerSchool Parent Portal
 - Incentives
 - PBIS

- **Behavior**
 - PBIS
 - Dean
 - Blackboard Connect Teacher
 - Restorative Practices

RTI Tier II

Students who are struggling to be successful with the strategic targeted interventions offered at Tier II are identified and referred to Tier II programs:

- Academics
 - ALEKS
 - Read 180
 - CAHSEE Prep
 - ELD
