

February 21, 2018

Dear Parents:

As we review the current safety and security measures at all of our schools, we will look for any current practices where we can make immediate improvements. Beginning immediately, we will be implementing a standard procedure at all of our schools for all visitors.

When visitors “buzz” the front office for entry to a building, they will be asked to state their name and the reason for their visit. Visitors will also need to show a **photo ID** to the camera before gaining access to the building.

These procedures will add another layer of security for our students and staff. We will continue to keep you informed as further measures are implemented.

Sincerely,

A handwritten signature in black ink, appearing to read 'Jim Thornton', written in a cursive style.

Jim Thornton, Ed.D.  
Superintendent  
Isle of Wight County schools

Office of the Superintendent – Dr. James Thornton
