

## SAINT CHARLES BORROMEO SCHOOL PARENT –STUDENT EXTENDED CARE POLICIES AND AGREEMENT FORM

Saint Charles Borromeo School Bruins Den is open on all school days from the close of the school day until 6:00 p.m. The program is open to those students whose parents desire this arrangement for the purpose of providing time for homework, arts and crafts, supervised play and sports. The program does require additional fees.

In return, the undersigned parents / guardians agree to pay in advance the published tuition and fees by the 10<sup>th</sup> day of the month and \$1.00 per minute after 6:00 p.m. if they are late in picking up their child (ren). A fee of \$40.00 is charged for late payments. Frequent lateness in picking up a child (ren) will be grounds for terminating the child (ren)'s participation in the program. Any parent who fails to meet these payment obligations, when due, will not be eligible to have their child (ren) continue in this program.

Failure of a student or parent / guardian to comply with the rules and regulations and discipline requirements of the extended care program, the school, and/or the Archdiocese of Los Angeles, as they are stated in the Parent – Student Handbook or adopted from time to time, may subject the student denial of further participation in the program. A formal conference with the principal is necessary before a student would be removed from the extended care program.

The undersigned parents / guardians agree to indemnify and hold harmless the Archdiocese of Los Angeles, the school and all their agents, employees, consultants (paid or volunteer), from any loss or liability arising out of the extended care program as such loss or liability relates to the child (ren) covered by this agreement form.

The undersigned parents / guardians are aware of and agree to follow the published policies and procedures of the extended care program. The undersigned have received and read the Saint Charles Borromeo School Parent – Student Handbook and are aware of, understand, and agree to follow the policies and procedures stated in it. They understand that this agreement includes any changes of policy published in the weekly newsletter, information sent home in the weekly family envelope or through extended care correspondence.
