

Manhattan Beach Middle School
Sixth Grade Course of Study Request Form 2018-2019

MBMS Staff Use Only Returned _____

Name(LN, FN) _____ Phone # _____

Elementary School _____

Current 5th grade teacher _____

Your child will be automatically placed in sixth grade Humanities (2 periods of English and one period of social science), math, science, and physical education classes for the 2018-2019 school year.

YEAR-LONG MUSIC ELECTIVES

These classes meet daily for the entire year and take up one full period of a student's day. A student can choose to take a year-long class instead of a wheel class. Students enrolling in a year-long music class can also take the wheel, a second music class, or drama in addition to their primary music class using a zero period.

- Band (Placement to be determined by instructor)
- Strings (Placement to be determined by instructor)
- 6th Grade Choir
- Drama

SIXTH GRADE WHEEL

Sixth grade wheel is composed of four quarter-long classes in different areas. Students choose to take the wheel and the four sections they are enrolled in are determined based on their schedule. Students may not choose components of the wheel. The wheel will include four of the following areas for approximately nine weeks each in the same period each day:

- | | | |
|------------------------|----------------------------|---------------|
| Music appreciation | Basic computers and coding | Intro to Film |
| Technology Exploration | Language and Cultures | Intro to Art |

ZERO PERIOD (7:10 – 8:05 a.m.)

Mark the box if you are planning to take the wheel or drama *in addition to* an elective music class or two music classes. Students opting for an eight-period day will begin school at 7:10 a.m. and end school at 3:00 p.m. Zero Period does not meet on Late Start Wednesdays.

IEP and 504 plans supercede all other programming. Schedules may change accordingly.
